Total semester hours:

Grade point average:

Full-time Students

Full-time students are not permitted to schedule more than sixteen (16) hours of credit in any fall or spring semester, unless permission is obtained from the Associate Dean for Academic Affairs for compelling reasons.

Part-time Students

Part-time students are not permitted to schedule more than twelve (12) hours of credit in any fall or spring semester, unless permission is obtained from the Associate Dean for Academic Affairs for compelling reasons.

Summer Semesters

Both full-time and part-time students are not permitted to schedule more than eight (8) hours of credit in any summer semester unless permission is obtained from the Associate Dean for Academic Affairs. Additionally, no student may earn more than six (6) hours of credit in the regular 8-week summer session.

Please provide a brief explanation of the reasons for the request:
