3. Research Paper in Environmental Law

Students must complete a research paper of high professional quality concerning environmental law. They may fulfill this requirement in conjunction with a course listed above, as part of Legal Research (LAW L898), Advanced Legal Writing (LAW L905), or through one of the College of Law's journal offerings. This paper must be written for a grade. Advance approval of the topic by the program director is required. Papers must be at least 30 pages in length.

COURSE NUMBER AND NAME:

4. Service Hours

Twenty (20) hours of pre-approved public service work in the field of environmental protection or study. (Public service work is broadly defined to include work performed for a stipend, in addition to pro bono work.) Certificate students would certify their 20 hours using the same monitoring mechanisms already in place. Public service hours used to satisfy the Certificate in Environmental Law may not be used to satisfy other requirements in other law school programs except in special circumstances and with the joint permission of the heads of those programs.

SERVICE HOURS CERTIFIED: _____ Completed: _____

5. Performance / Grade Point Average

As of _____ At graduation

All certificate courses required to have a grade of "C" or better
Cumulative GPA at graduation (must be at least 2.5)

Confirmed: _____
Cum GPA _____
